完形填空

There was once a stone (石头) in the **garden** of a family. When the family walked through the 1, they would **trip(绊倒) over the stone** now and then.

One day, the son said to his father, "I 2 that stone. Why don't we move it away?" His father said, "It was there when your grandfather was alive. It's so big I'm 3 **we can't move it**. Just be 4 when you walk near it."

Twenty years later, the son grows up. He **also** had his own 5. One day, **his son** said to him, "There is a stone in the garden. Shall we move it?" He told his son, "The stone is too 6. If I could, I would have moved it many years ago." 7 his son **decided to move it**.

One morning, the son brought some tools to the garden. He 8 around the stone. He thought that 9 would **take** him all the day **to move** the stone. **To his** 10, **it only took** him thirty minutes to finish the work. The stone wasn't big as it looked at all.
