第四节：

听短文，选择正确答案。

Last Saturday morning I got up early because I wanted to go to my uncle's farm. I wanted to do something interesting like feeding pigs and milking cows. But when I was leaving by bicycle, it started to rain. So I went to visit the city museum by bus. There, I saw many wonderful things. At about 12:30, I felt hungry. So I bought two hamburgers to eat. It seemed that hamburgers were never delicious like those. At about 2:00 p.m., the rain stopped. I walked back home. At night, I felt a little tired, but I still kept a diary about the day.
